Task 1 Step 5-c: Wed 8 December 2010 00:25:24 UTC

Task 1 Step 5-d:

DHCP Server : 192.168.1.1

Default Gateway : 192.168.1.1

Task 4-2 Step 5: <https://www.yahoo.com> has a visit count of 1 but type count of 0. This is because the http version of yahoo was type and then visited, then the server helped redirect the request to the secured https site automatically.
